Attention to Detail

Searching for a position that can be attained while managing my class schedule, as well as following my passion of sports journalism and announcing.

Work History

2024-08 -
Current

Lead Play-By-Play Announcer

Webster University, St Louis, MO

- Internship at Webster University, lead broadcaster.
- Leading the entirely freshman broadcaster crew by teaching how to broadcast games at a higher level, keep track of who's running cameras, production, color commentary, etc. for games and help set up the audio and cameras for our production crew before our broadcasts.
- Calling almost every baseball, basketball, soccer and volleyball home game for the Gorloks.
- Creating content from our broadcasts for the new Gorlok Sports Network social media pages to increase engagement with our brand.

2024-06 -
2024-08

Sports Announcing Specialist

Camp Winadu, Pittsfield, MA

- Teaching the ropes of broadcast journalism to 7-15 year olds while working closely with CBS Sports sideline reporter Tracy Wolfson at Camp Winadu.
- As one of the activities the campers could partake in, they would be taught the basics of broadcasting and writing about different sports, and getting real-world experience by commentating sporting events going on around Camp Winadu and interviewing their fellow campers following their matches.
- The role also included being a general counselor for a group of campers throughout the summer.

2022-10 -
Current

Student Sports Commentator (Live)

Webster University, St. Louis, MO

- Serve as lead commentator for multiple sporting events, including baseball, volleyball, and basketball games.

- Prepare for each game by researching players, maintaining stats and career highlights.
- Research and study common tactics and sports color for Senior commentators.
- Operate studio equipment and work with other onsite student staff for total production.
- Debrief each event with head of Sports Broadcasting department and mentor.

2022-09 -
Current

Sports Editor

The Journal, Webster University, St. Louis, MO

- Revitalizing university sports coverage by increasing assignments and revamping quality standards.
- Deliver authoritative sports coverage with careful attention to game facts, stats and predictions.
- Communicate directly with other editors to collaboratively assess work and guide editorial improvements.
- Recruit sports reporters to effectively cover a variety of intramural and sanctioned University sports.
- Edit sports report content for both web and print edition articles and content.

2022-06 -
2022-08

Customer Service/Front Desk Receptionist

Family Medical Clinic, Harrogate, TN

- Greeted and verified patients and guests upon entry to clinic.
- Answered phone calls and executed specific action plans to effectively provide appropriate service for each caller/patient.
- Maintained excellent rapport with colleagues, staff, and patients.

2019-01 -
2022-06

Student Staff Member

Berkeley Broadcast Network, Berkeley Prep High, Tampa, FL

The Berkeley Broadcast Network is a high-school student organization dedicated to creating professional live streaming productions of Berkeley events, including athletic games.

- Assisted with all production aspects related to camera & audio equipment

- Used strong interpersonal communication skills to work with upper classmen student commentators to provide them with sports color for baseball, softball and volleyball.
- Maintained production and A/V equipment.
- Commentated over 25 live sporting events on the network.
